

# **Alameda Free Library** is proud to present the **K-5 Digital Literacy Challenge!**

No library card required to participate.

This fun, informative, and engaging **online** challenge will help children identify, use, and care for technology, learn online safety, and become good digital citizens. Kids in grades K through 5 will earn digital badges as they complete activities, and will be awarded a digital certificate of achievement upon completion.

**Sign Up Today!**

**to login to or sign up for Beanstack.**

If your child has participated in our Summer Reading Program before, they already have a Beanstack account. Just find the challenge on their reader page and click "REGISTER" to begin!

\*Alameda Free Library is not awarding prizes for completion of this challenge. \*

\*This is an online challenge. Participants will need a chromebook, laptop, or desktop computer to complete activities. Some links direct students to age-appropriate youtube videos. Adult supervision and help is encouraged for younger participants.\*
